

Telephone

VoIP, Digital, SIP and Hosted

Leverage technology and save money with the *right* phone solution for your business.

A trusted technology advisor, CABCO will help you navigate the optimum telecom network and telephone solutions required for your unique organization to complement the way you work.

Why choose CABCO as your telecom partner?

Expertise, Local Support: nationally-ranked partner of leading manufacturers and providers with high level service certifications in telephony, video, wireless and networking

Scalable Solutions: a range of available telephone solutions ensures the right solution will be implemented to meet your specific needs and budget

Cloud vs. On-Premise: leverage VoIP, digital, SIP, mobile or hosted cloud solutions while maintaining service provider flexibility and future-proofing your investment

Carrier Partner: as a sales and installation agent with leading service providers, CABCO will help you select appropriate internet, network and voice service

Pole top to desktop: from solution design through implementation and support, CABCO will optimize your infrastructure to ensure the best user experience

Founded in 1980 and locally-owned, CABCO is Atlantic Canada's leading technology integrator.

Trust CABCO for Expertise and Reliable Support

SIP | **SSCA**[®]
SIP School Certified Associate

SIP | **SSMP**[™]
SIP Sales and Marketing Professional

CABCO is a SIP-certified telecom integrator with the highest level of telecommunications designations and certifications for solution design, implementation and support.

CABCO specializes in providing **Technology Infrastructure Assessments** to analyze and document the health of existing cabling and network design. Assessments identify deficiencies and recommend remedies to optimize network performance, thus ensuring Telephone solutions implemented perform as intended.
